

Catherine Byun

cbyun3@wisc.edu | (336)-469-8022

Education

Aug 2025 – Present	PhD student, Anthropology, University of Wisconsin-Madison
Aug 2020 – May 2024	BS, Biology & Evolutionary Anthropology, Duke University

Research Experience

July 2024 – July 2025	Research Associate PI: Rebecca Lewis, Dept of Anthropology University of Texas at Austin
Aug 2023 – May 2024	Undergraduate Researcher PI: Leslie Digby, Dept of Evolutionary Anthropology, Duke University
Apr 2022 – Aug 2022	Undergraduate Research Assistant Baugh Lab, Dept of Biology, Duke University

Teaching

Fall 2025	Teaching Assistant Anthropology 105: Principles of Biological Anthropology
-----------	---

Publications

2025	Byun, C. A. , Lutz, M. C., & Lewis, R. J. (2025). Energetic priorities across the stages of development: Effects of age, sex, and seasonal reproduction on activity budgets in Verreaux's sifaka (<i>Propithecus verreauxi</i>). American Journal of Primatology, 87(6), e70057.
------	---

Conference Presentations

2025	Lewis RJ, Byun CA , Tecot SR. Variable grouping patterns in primates: Do dominant male Verreaux's sifaka (<i>Propithecus verreauxi</i>) benefit from living in multimale groups? International Primatological Society Congress, July 2025, Antananarivo, Madagascar.
2024	Byun CA , Lutz M, Lewis RJ. Variation in activity budgets across age class in Verreaux's sifaka (<i>Propithecus verreauxi</i>). Texas Association of Biological Anthropologists, November 2024, San Marcos, TX.

Research Grants

Nov 2023	Molly Glander Student Research Grant
Sept 2023	Duke Undergraduate Research Support Independent Study Award

Honors

May 2024	Graduation with Distinction, Duke University
Dec 2023	Dean's List with Distinction, Duke University

Community Outreach

Feb 2025	Hot Science Cool Talks Environmental Science Institute, University of Texas at Austin
